RIS Document Solutions

WHAT'S NEW AT RIS?

MANAGED PRINT SERVICES

Xerox Managed Print Services will take the burden of managing your printer fleet off your hands - **REGARDLESS WHAT BRAND OF PRINTER!**

With our world class proactive monitoring technology, service issues will be triaged and supplies ordered **automatically** allowing you to focus on your core business - **WE DO IT ALL!**

MPS also helps you improve environmental sustainability and document security. See the full spectrum of what MPS can do for you here:
